AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Resource Advisory Council Call for Nominations.

SUMMARY: The purpose of this notice is to request public nominations for the Bureau of Land Management (BLM) Resource Advisory Councils (RACs) that have member terms expiring this year. The RACs provide advice and recommendations to BLM on land use planning and management of the public lands within their geographic areas. BLM will consider public nominations for 45 days after the publication date of this notice.

DATE: Send all nominations to the appropriate BLM State Office by no later than

April 18, 2005.

ADDRESSES: See SUPPLEMENTARY INFORMATION for the locations to send your nominations.

FOR FURTHER INFORMATION CONTACT: Melanie Wilson Gore, U.S. Department of the Interior, Bureau of Land Management, Intergovernmental Affairs, 1849 C Street, MS-LS-406, Washington, D.C., 20240; 202-452-0377.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA)(43 U.S.C. 1730) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by BLM. Section 309 of FLPMA directs the Secretary to select 10 to 15 member citizen-based advisory councils that are consistent with the requirements of Federal Advisory Committee Act (FACA). As required by the FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR 1784.b. These include three categories:

Category One - Holders of federal grazing permits and representatives of energy and mineral development, timber industry, transportation or rights-of-way, off-highway vehicle use, and commercial recreation;

Category Two - Representatives of nationally or regionally recognized environmental organizations, archaeological and historic interests, dispersed recreation, and wild horse and burro groups;

Category Three - Holders of State, county or local elected office, employees of a State agency responsible for management of natural resources, academicians involved in natural sciences, representatives of Indian tribes, and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the State or States in which the RAC has jurisdiction. BLM will evaluate nominees based on their education, training, and experience and their knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decisionmaking. The following must accompany all nominations:

- letters of reference from represented interests or organizations,
- a completed background information nomination form,
- any other information that speaks to the nominee's qualifications.

Simultaneous with this notice, BLM State Offices will issue press releases providing additional information for submitting nominations, with specifics about the number and categories of member positions available for each RAC in the State. Nominations for RACs should be sent to the appropriate BLM offices listed below.
